The 6th annual Coffs Coast 4WD, Caravan, Camping & Boat Show will be staged for the first time at Coffs Harbour Racecourse, on the weekend of 20th & 21st June, 2009, after being held at Coffs Harbour Showground for the past 5 years.

In this time, this Show has attracted an average attendance of over 10,000 visitors per year!

With the move to the Coffs Harbour Racecourse, the opportunity presents itself to add an exciting new addition to the Show, namely "The Coffs Coast Travel Expo".

Coffs Coast  
**Travel Expo**

The Coffs Harbour Racing Club ideally lends itself to this type of exhibition, with a large, light & airy, fully carpeted and air-conditioned auditorium, capable of holding 50 exhibition booths.

Visitors are used to attending this venue, with the Coffs Gold Cup, Coffs Coast Home Show, Coffs Bridal Expo and many more trade shows being staged here.

This year's 4WD, Caravan & Camping Show is expected to attract over 10,000 visitors, therefore the Travel Expo is assured of excellent attendance figures.

Television advertising will cover the entire north-eastern corner of NSW, whilst significant radio & print media coverage will reinforce the local area.
